Projects

MAY 2022 **Tableau project : Sales Insights in Tableau**
1.Utilizing SQL to conduct data analysis.
2.Employing formulas in Tableau for data cleaning and preparation.
3.Designing professional-grade dashboards in Tableau for effective data visualization and analysis.

MAY 2022 **Mausam Prediction**
The aim of the project is to assist National Meteorological and Hydrological Services (NMHSs) by educating them on how to construct a Weather Prediction System using the resources available and a knowledge of the level of science and technology at the time.

Built Using - Html, CSS and JavaScript

Work Experience

MAY 2023 **ClearTax**   **Inside Sales Executive**
Over the course of a rewarding and enriching three-month sales internship at ClearTax, I assumed the pivotal responsibility of engaging in meaningful conversations with our esteemed clients. My primary focus was to impart comprehensive understanding and guidance regarding Income Tax Return (ITR) filing, ensuring that clients were well-informed about the intricacies and importance of the process.

JAN 2021 **EduQuest**   **Educator**
Exceeded expectations in facilitating the academic success of more than 50 students within a year, as a dedicated mentor and guide, by offering comprehensive guidance and effective teaching strategies, leading to their outstanding achievements in competitive exams, including JEE, SAT, and AP.

Co-Curricular Activities

2021-Now **Co-Founder @graphic_tutorial**
1.Proficiently provided social media management services to clients, leveraging expertise in the latest digital marketing trends and tools to enhance their online presence and engagement.
2.Collaborated with more than 35 national and international clients, delivering measurable business growth.
3.Generated a revenue of around 5 lakhs within a year through effective client retention and strategic planning.

Instagram:// **@graphic_tutorial**

2020-2021 **Pantomime Club Member**
Being an active club member of Pantomime (The Dramatic Club of NITR), I learnt a lot of skills including socialisation, communication, time management, stepping out from comfort zone, being interactive and showing out myself.
